Health and Wellness Report:

Everyone is well and healthy! Great news!!!

Christmas Basket Report:

Todd Gottier reported that the Christmas Basket deliveries went very well. He commented how personal it is when we as members actually make the deliveries to the families. It is a very humbling experience to see how appreciative they are. Many had notes of thanks for the Club and I have attached a few for you to see.

Wine Tasting Update: March 28, 2015:

Todd spoke about the upcoming Wine Tasting and Silent Auction that is rapidly approaching. The committee will be meeting on January 13, 2015 to get things moving along. You will all be receiving the flyer about it and we are asking you to please make this a club effort and help us with donated items and selling tickets for the event. If you are not sure what to purchase, we will also take cash/check donations and do the shopping for you.

Last year's event was a great deal of fun and was very successful. It is our goal this year to make this one even better and bigger!

Jason Frazer of WFSB will once again be joining us as our Emcee. He is really excited about it.
